ATTENTION CREDITORS AND PARTIES IN INTEREST.

This plan sets forth how Debtor proposes to pay claims. Creditors should review the plan to determine how their claims will be treated. Creditors must exercise their own judgment in deciding whether to accept or oppose the plan. Each creditor should read this plan carefully and discuss it with his/her attorney. Anyone who wishes to oppose any provision of this plan must file with the Court a timely written objection unless such objection is one provided for in Article IV, below. This plan may be confirmed and become binding without further notice or hearing unless a timely written objection is filed. Creditors must file a proof of claim with the Clerk of the Bankruptcy Court in order to receive distributions under this plan. Absent an objection by the Debtor or other party in interest, the Trustee shall pay claims as filed. Secured claims must have proof of security attached. Creditors claiming a right to interest should state the interest rate and the total amount of the claim, as of the case filing date, on the front page of the proof of claim. Supporting documentation should also be provided as required by Rule 3001 of the Federal Rules of Bankruptcy Procedure.

ARTICLE I. PLAN PAYMENTS

Within ten (10) days after the filing of this bankruptcy case, the Debtor or Debtors in a joint case (hereinafter "Debtor") shall commence making monthly plan payments ("Plan Payments") pursuant to 11 U.S.C. § 1326(a)(1), as follows:

1 C. Based upon claims filed and payments received by the Trustee, the Plan may extend beyond its

stated term without further application or notice, but in no event shall it extend beyond sixty (60) months after confirmation.

1 D. If a Plan proposes a dividend in an amount to which no objection is filed by a creditor or party in interest and such dividend is increased by Agreed Order between Trustee and Debtor, based on claims then filed or estimated and, subsequent to such increase, additional claims are thereafter allowed, the dividend to general unsecured creditors may be reduced to an amount, not less than provided for in the original Plan for which creditors were provided notice, without further hearing or additional notice to creditors.
